

MLKA MAEDLEY

Lollipop

Sucking too hard on your lollipop, or love's gonna get you down.

Sucking too hard on your lollipop, or love's gonna get you down.

Say love, say love or love's gonna get you down.

Say love, say love or love's gonna get you down.

I went walking with my mama one day, when she warned me what people say,
live your life until love is found 'cause love's gonna get you down.

Take a look at the girl next door. She's a player and a downright bore Jesus
slows up, she wants more oh bad girls get you down. Singin'

Sucking too hard on your lollipop, or love's gonna get you down.

Sucking too hard on your lollipop, or love's gonna get you down.

Say love, say love or love's gonna get you down.

Say love, say love or love's gonna get you down.

Whoa oh, Whoa oh, Whoa oh Lollipop! Whoa oh, Whoa oh, Whoa oh Lollipop!

Sucking too hard on your lollipop, or love's gonna get you down.

Sucking too hard on your lollipop, or love's gonna get you down.

Say love, say love or love's gonna get you down.

Say love, say love or love's gonna get you down.

Grace Kelly

Do I attract you, do I repulse you with my queasiest smile.

Am I too dirty? Am I too flirty do I like what you like?

I could be wholesome. I could be loathsome. Guess I'm a little bit shy.

Why don't you like me? Why don't you like me without making me try?

I try to be like Grace Kelly, hmmm but all her looks were too sad.

Ah-ha, so I try a little Freddie, hmmm I've gone identity mad. Mad, mad, mad.

I could be brown, I could be blue I could be violet sky, I could be hurtful, I could
be purple, I could be anything you like? Gonna be green, gonna be mean,
gonna be everything more. Why don't you like me? Why don't you like me?

Why don't you walk out the door?

How can I help it? How can I help it? How can I help what you think? Hello my
baby. Hello my baby putting my life on a brink. Why don't you like me? Why
don't you like me? Why don't you like yourself? Should I bend over? Should I
look older? Just to be put on your shelf.

I try to be like Grace Kelly, hmmm but all her looks were too sad.

Ah-ha, so I try a little Freddie, hmmm I've gone identity mad.

I could be brown, I could be blue I could be violet sky, I could be hurtful, I could

be purple, I could be anything you like? Gonna be green, gonna be mean, gonna be everything more. Why don't you like me? Why don't you like me? Why don't you walk out the door?

Everybody's gonna love today

Toem, ta ra ria ra rie toem, ta ra ria ra rie toem.

've been crying for so long fighting tears just to carry on.

But now, but now it's gone away. Hey girl why can't you carry on, carry on.

Is it cuz you're just like your mother? A little tight like to tease for fun, tease for fun. Well you ain't gonna tease no other gonna make you a lover.

Everybody's gonna love today, love today, love today. Everybody's gonna love today anyway you want to, anyway you've got to love, love me, love, love me, love, love. Girl in the blue with the big bust on, the big bust on, the big bust on. Wait till your mamma and your papa's gone, papa's gone mamma, mamma, papa, chock chock me, chock chock me, chock chock.

Toem, ta ra ria ra rie toem, ta ra ria ra rie toem, ta ra ria ra rie toem, ta ra ria ra rie roep, toe ra ria ra rie roep, toe ra ria ra rie toem, ta ra ria ra rie toem, ta ra ria ra rie toem, ta ra ria ra rie toem.

Big girls you are beautiful

Big girls you are beautiful. Big girls you are beautiful. Big girls you are beautiful. Big girls you are beautiful.

Get yourself to the Butterfly Lounge. Find yourself a big lady. Big boy come on around and they'll will calling you baby. No need to fantasize since I was in my braces. A watering hole With the girls around. And curves in all the right places.

Big girls you are beautiful. Big girls you are beautiful. Big girls you are beautiful. Big girls you are beautiful.

Get yourself to the Butterfly Lounge. Find yourself a big lady. Big boy come on around and they'll will calling you baby. No need to fantasize since I was in my braces. A watering hole With the girls around. And curves in all the right places.
