

USE SOMEBODY

I've been roaming around.
Always looking down is all I see.
Painted faces fill the places I can't reach.
You know that I could use somebody.
You know that I could use somebody.
Someone like you.

And all you know. And how you speak.
Countless lovers undercover on the street.
You know that I could use somebody.
You know that I could use somebody.
Someone like you. Oh-ho. Oh-ho.
Someone like you. Oh-ho. Oh-ho.

Off in the night you live it up while I'm off to sleep.
Waging wars to shape the poet and the beat.
I hope it's gonna make you notice.
I hope it's gonna make you notice.
Someone like me. Oh-ho. Oh-ho. (*4x herhalen*)

I've been roaming around
Always looking down is all I see
