

GET THE PARTY STARTED

I'm coming up so you better get this party started.

I'm coming up so you better get this party started.

Get this party started on a Saturday night.

Ev'rybody's waiting for me to arrive.

Sending out the message to all of my friends.

We'll be looking flashy in my Mercedes Benz.

I'll get lots of style, got my gold diamond rings.

I can go for miles if you know what I mean.

I'm coming up so you better get this party started.

I'm coming up. I'm coming up.

I'm coming up so you better get this party started.

Pumpin' the volume, breakin down to the beat.

Cruisin' through the west side, we'll be checkin the scene.

Pull up to the bumper, get out of the car.

License plate says "Stunner Number One Super Star".

I'm coming up so you better get this party started.

I'm coming up. I'm coming up.

I'm coming up so you better get this party started.

Makin' my connections as I enter the room.

Ev'rybody's chillin' as I set up the groove.

I'm your operator, you can call my anytime.

I'll be your connection to the party line.

I'm coming up so you better get this party started.

I'm coming up. I'm coming up.

I'm coming up so you better get this party started.

I'm coming up. I'm coming up.

I'm coming up so you better get this party started.

Get this party started, get this party started, right now!

Get this party started, get this party started, right now!

Get this party started, right now! Get this party started, right now!
