

THE BEST OF ABBA

I have a dream a song to sing to help me cope with anything.

(alt – Oo.....)

If you see the wonder of a fairytale, you can take the future
even if you fall. I'll cross the stream, I have a dream. I'll cross
the stream, I have a dream.

Mamma Mia

I was cheated by you and I think you know when. So I made
up my mind it must come to an end.

Look at me now, will I ever learn. I don't know how but I
suddenly lose control, there's a fire within my soul.

Just one looking I can hear a bell ring, one more looking I
forget ev'rything. Who, who.

Mamma Mia here I go again my, my how can I resist ya?

Mamma Mia does it show again my, my just how much I've
mist ya?

Yes, I've been broken hearted. Blue since the day we parted.

Why, why did I ever let you go?

Mamma Mia now I really know my, my I should never let you
go. My, my I should never let you go.

S.O.S.

Where are those happy days, they seem so hard to find. I try
to reach for you but you have closed your mind.

What ever happened to our love? I wish I understood. It just
to be so nice, it just to be so good.

So when you near me darling, can't you hear me s.o.s. the
love you gave me nothing else can save me s.o.s.
When you're gone, how can I even try to go on. When you're
When you're gone, though I try how can I carry on.

Take a chance on me

If you change your mind, I'm the first in line, honey I'm still
free, take a change on me. If you need me, let me know,
gonna be around. If you've got no place to go, if you're
feeling down. If you're all alone when the pretty birds have
flown, honey, I'm still free, take a change on me. Gonna do
my very best and it ain't no lie. If you put me to the test, if
you let me try. Take a change on me. Take a change on me.

We can go dancing, we can go walking as long as we're
together. Listen to the music, maybe just talking, you'd get to
know me better. Cuz you know you got, so much that I wanna
do, when I dream I'm alone with you its magic. You want me
to leave it there, afraid of love affair, but I think you know
that I want you so.

If you change your mind, I'm the first in line, honey I'm still
free, take a change on me. If you need me, let me know,
gonna be around. If you've got no place to go, if you're
feeling down. If you're all alone when the pretty birds have
flown, honey, I'm still free, take a change on me. Gonna do
my very best and it ain't no lie. If you put me to the test, if
you let me try. Take a change on me. Take a change on me.

Thank you for the music

Thank you for the music the songs I'm singing, thanks for all the joy there bringing. Who can live without it, I ask in all honesty, what would live be? Without a song or a dance what are we? So I say thank you for the music for giving it to me. I've been so lucky, I am the girl with golden hair. I want to sing it out to everybody. What a joy, what a live, what a chance?

Dancing Queen

Ah..... ah..... you can dance, you can jive, having the time of your live. See that girl, watch that scene, diggin' the dancing queen,

Friday night and the lights are low. Looking out for a place to go. Where they play the right music, getting in the swing, you've come to look for a king. Anybody could be that guy. Night is young and the music's high. With a bit of rock music, ev'rything is fine, you're in the mood for a dance. And when you get the chance. You are the dancing queen, young and sweet only seventeen. Dancing queen feel the beat from the tambourine, oh yeah. You can dance, you can jive, having the time of your live. See that girl, watch that scene, diggin'

the dancing queen. Diggin' the dancing queen. See that girl,
watch that scene, diggin' the dancing queen.

I have a dream

I have a dream, a fantasy, to help me through reality.

(alt – Oo.....)

And my destination makes it worth the while. Pushing
through the darkness still another mile. I believe in angels.
Something good in ev'rything I see. I believe in angels, when I
know the time is right for me. I'll cross the stream, I have a
dream. . I'll cross the stream, I have a dream.

Waterloo

My, my at Waterloo, Napoleon did surrender. Oh yeah! And I
have met my destiny in quite a similar way. The history book
on the shelf is always repeating itself.

Waterloo, promise to love you forevermore. Waterloo,
couldn't escape if I wanted to. Waterloo, knowing my fate is
to be with you.

Who, o who who who Waterloo, finally facing my Waterloo.
so how could I ever refuse, I feel like I win when I lose.

Waterloo, I was defeated you won the war. Waterloo,
promise to love you for evermore. Waterloo, couldn't
escape if I wanted to. Waterloo, knowing my fate is to be
with you.

Who, o who who who Waterloo, finally facing my Waterloo.

Who, o who who who Waterloo, finally facing my Waterloo.

Oh..... oh..... oh yeah!
